### Performance Notes

The guitar part starts roughly 13s into the Top Gun Anthem.

In the original tune, there is a key change which hasn't been included here (31s– 49s) and this falls in between the repeats.

If you play along with the original, play from the beginning and include the 1st time bars, wait while the key change section plays out (another 8 bars) and then come in again on the repeated section but this time with the 2nd time bars.

All the notes are on the top 2 strings.
